PROFILE

Business and project management professional with 5+ years of experience spanning operations, finance & admin, project management, and business development across tech, fintech, blockchain, and real estate ventures. Proven track record coordinating cross-functional delivery, managing client relationships, and scaling early-stage products from build to launch. Comfortable operating at the intersection of business strategy and technical execution.

CORE COMPETENCIES

Agile / Scrum · Jira Sprint Planning · Cross-functional Leadership · Product Lifecycles · Scope Management · P&L Management · Operational Workflows · Client Relationship Management · Resource Allocation · Web3 Protocols · Smart Contracts · AI / ML Infrastructure · KYC / AML Compliance · REST APIs · Figma Design Direction · Financial Auditing

EXPERIENCE

Project Manager & Business Management · Quantum Bases
Jul 2023 – Present

Lahore, Pakistan · On-site · Full-time

- Lead end-to-end project delivery and business development initiatives across client engagements.
- Oversee operations and project financial oversight, staffing, reporting, and commercial milestones.
- Align engineering, design, QA, and finance teams around a single delivery plan.

Operations & Finance (Part-time) — Jan 2023 – Jun 2023
Continued operations and finance responsibilities part-time while concurrently holding full-time roles at Meidan, Real Estate Firm, and Realty Revive.

Operations & Finance — May 2022 – Dec 2022
Managed operational workflows and finance tracking for client projects.

Project Team Lead · Verifi Lite LLC
Jul 2025 – Jan 2026

Remote · Full-time

- Led delivery of a B2B identity-verification SaaS product, coordinating engineering and compliance requirements.
- Worked across SaaS delivery and KYC/AML compliance considerations with the client team.

Assistant Project Manager (Project-based) · Sublime Solution
Jul 2023 – Oct 2023

Remote · Full-time

- Supported project planning and coordination on a project-basis remote engagement.

Business Manager (Own Startup) · Realty Revive
Apr 2023 – Jun 2023

Lahore, Pakistan · Full-time

- Ran business operations for a self-founded real estate investment venture.

Client Relationship Manager · Real Estate Firm
Jan 2023 – Mar 2023

Lahore, Pakistan · Full-time

- Managed client relationships and communications for real estate transactions.

Head of Product · Meidan Technologies (Private) Limited
Nov 2022 – May 2023

Lahore, Pakistan · On-site · Part-time

- Contributed to product direction and planning alongside the core management role at Quantum Bases.

Sales, Operations & Finance · NuGenesis Australia
Nov 2020 – May 2022

Australia · Remote · Full-time

- Managed sales operations and finance functions for a blockchain-focused organization.
